

2021-22 Teacher/Faculty Prorated National and State Dues Obligation Chart

This chart contains the combined national and state dues obligations for each teacher/faculty membership type. Use this chart after Sept. 30, 2021 to determine the national and state dues obligation for existing potential members or individuals who are hired mid- year and choose to become active members.

Directions

1. Determine the individual's membership level based on their position FTE. Their FTE is not based on their paid workdays.
2. Select the column that contains the corresponding position FTE or membership code, then go down to the month the application was signed.
3. Enter the local and IO dues in the chart below.

Note: State assessments are excluded from proration.

Examples: 1.0, signature date March 5 – \$127.98 + \$ 236.50 + \$37 state assessments + local dues + IO dues if applicable.

.65, signature date Nov. 30 – \$213.30 + 256.21 + \$37 state assessments + local dues + IO dues if applicable.
