Must be submitted by Wednesday, April 7, 2021. If submitting prior to the RC, please email to [president.denise.specht@edmn.org](mailto:president.denise.specht@edmn.org).

Action items are specific directives to Education Minnesota that require a specific action. Action items are terminal in application and generally expire at the next Representative Convention. The Action Item Form should be used for these actions.

### Wording of Motion:

Education Minnesota will work with allies to advocate for universal health care options for all Minnesota educators and all Minnesotans.

### Rationale:

Health care costs continue to rise. Educators and all citizens are struggling to keep up with rising health care costs. To attract and retain quality educators a compensation package that allows a head of household to support themselves is crucial. Healthcare is an ever-increasing part of that necessary compensation package.

### Budget Impact (to be completed by Education Minnesota secretary-treasurer):

There is no additional budget impact to carry out this action item as it can be accomplished with current staff and current program budgets.
