ST. PAUL, Minn. Feb. 15, 2018 – Education Minnesota has endorsed Angie Craig's campaign for the U.S. House of Representatives.

“Education Minnesota is proud to endorse Angie Craig’s campaign for Congress,” said Denise Specht, president of Education Minnesota. “Angie supports students, teachers and public education. We need more representatives in Washington who will resist cuts to education and other investments young Minnesotans need to grow and succeed.”

A committee of local educators from Minnesota’s 2nd Congressional District interviewed Craig, a Democrat, during the endorsement process, which included approval from the political action committees of the American Federation of Teachers and the National Education Association.
