

Accessing AFT LeaderNet

Go to <http://leadernet.aft.org>

You will need your AFT membership card if you have not yet created an online credential with AFT. You should have received this in the mail. You can also find your number on all publications from AFT, such as *American Teacher*, *PSRP Reporter*, or the *American Educator*.

If you already have a User ID and password, simply enter them and click Log In.

Welcome to the new LeaderNet.

All LeaderNet users (other than AFT national staff) will now log in through the AFT's single login system.

If you have already registered your AFT membership card and created an AFT member account username and password, you will use these same credentials to access LeaderNet. (If you have forgotten your username or password, get help by selecting the appropriate tabs above.)

To create a username and password, you will need your AFT membership number. [Click here](#) to create a username and password that will gain you access not only to LeaderNet, but also to AFT meetings registration and other online tools.

If you do not know your membership number or need other help registering, please contact the AFT Staff and Affiliate Support Desk (SASDesk) at sasdesk@aft.org or call 1-800-238-1133, ext.4504.
