

Treasurer and Membership

Newsletter Notes

December Special Edition

Winter greetings!

I am sure that many of you, like me, are looking forward to getting through these next few days before your winter break begins. A much-deserved time to reconnect with family and friends and regenerate before 2019.

As stated in the December newsletter, this special edition contains the [Dues and Stipends Survey](#) that we ask our locals to complete every two years. I hope you will have time over the break to complete the survey. It should only take about five minutes if you have a copy of your budget handy when completing it.

A couple of quick notes about this year's survey:

1. We were able to move the survey over into a registration system this year and it should be much easier to enter your locals data.
2. If your local has two different members that serve as the treasurer and the membership contact, we only need one of you, typically the treasurer, to fill out the survey.
3. You must complete all the questions in the survey before submitting as it does not auto save and let you come back at a later time.
4. The survey will be open until Jan. 31.
[Click here to complete the Dues Stipend Survey.](#)

Should your run into any issues or have any question please contact either [Rose](#) or [myself](#) directly.

In unity,
