

Identity theft recovery plan

Education Minnesota Economic Services Inc. (ESI) pays for all active members to receive a complimentary identity theft recovery plan. You can also upgrade to family coverage for as little as \$2/month.

Retired, student and substitute members can purchase plans at negotiated discount rates.

What is identity theft?

Identity theft is when someone uses your identity or personal information to gain access to your credit or credit cards, sell your information to commit fraud or gain other financial advantages.

Victims of identity theft can be hurt by immediate financial loss, damage to credit and the hassle of resolving the issue.

Benefits of a Securus ID plan:

- Supports members in restoring their identity if it is compromised
- Full triage on first call with live access to all three credit bureau files
- Offers bilingual specialists, multilingual and hearing-impaired services 24 hours a day, 7 days a week
- Includes limited power of attorney so the specialist assigned to your case can complete all restoration activities on your behalf
- Boasts a 100 percent case success rate
