Update No. 41

Planning for pension advocacy - 2023-24

As our pension advocacy continues and we begin planning for 2023-24, it's extremely important that members are a part of this planning process. Members already passed an action item at the Representative Convention giving direction to our plan, but more input and planning is needed to create the next steps forward.

We will continue to send Pension Updates emails throughout the summer, but not as frequently since the 2023 legislative session has ended.

Member opportunity: Pension Reform Advisory Group

We are recruiting members for a new Pension Reform Advisory Group who will work in union to develop and recommend an action plan for Education Minnesota's next phase of pension reform advocacy.

Terms are two years and the deadline to apply is June 9.
