PENSIONS WEEK OF ACTION

April 28 - May 2

CALL & WRITE STATE LEADERS

With only three weeks left in the legislative session, Education Minnesota is hosting a Pensions Week of Action to make sure lawmakers hear from educators

during this crucial time. Join us and make your voice heard by taking a small action each day this week to tell lawmakers to fund improved pensions for teachers. There is no meeting of the Legislative Commission on Pensions this week so these actions will be our best opportunity to impact change.

Check Education Minnesota's social media pages before and after school each day this week for new opportunities to take action!

Monday: [Email your legislators to support pension improvements for teachers!](#)
