Pensions week of action recap

PENSIONS WEEK OF ACTION

6,000

CAREER RULE
CALLS MADE &
EMAILS SENT TO
STATE LEADERS

Thanks to all of you taking action, Education Minnesota's Pensions Week of Action was a success! With over 6,000 calls and emails made, legislative leaders heard

our demands for improved teacher pensions loud and clear. If you missed one of the days of action, there is still time to speak up. Use the links below to reach out and urge legislators to pass improved pensions this session.

Call Governor Walz:

Already made the calls above? You can still help! The next meeting of the Legislative Commission on Pensions and Retirement is Tuesday, May 6 at 5:30 pm and the committee will [be discussing the omnibus pensions bill](#). With weeks left in the legislative session, this meeting is our next best opportunity to speak with legislators and demand a teacher career rule this year. All final decisions on pension funding are on hold until joint budget targets are reached by the House, Senate and Governor.

Interested members should plan to meet at the Education Minnesota office at 5 p.m. and we will walk to the 5:30 p.m. meeting together. The hearing will be held in Room 123 in the Capitol Building.
