Social media post text ideas:

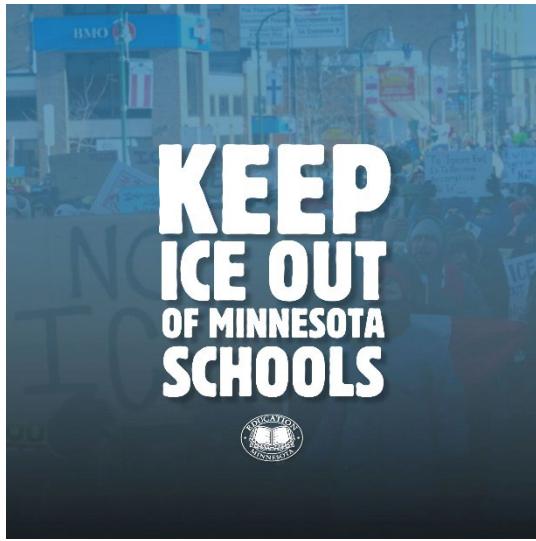

ICE makes our schools less safe. I demand ICE agents stay away from them so educators and students can focus on what's most important – teaching and learning.
#ICEOutSchools

Public education is a right. Every child in Minnesota deserves to attend a safe, welcoming public school, but that cannot happen with ICE agents circling school buildings and bus stops. I demand ICE stay away from our schools! #ICEOutSchools

ICE is disrupting learning and putting students, families and school staff at risk. This is not a partisan issue — it is a moral one. Stay away from our schools! #ICEOutSchools
