Securus ID – in partnership with Aura

Securus ID partners with Aura (#1 rated all-in-one digital security program) to protect members from the threats of identity theft, scams, and fraud. All active teachers, ESP support and retired members have access to a complimentary identity recovery program (member only), courtesy of Education Minnesota / ESI Member Benefits. Registration for the complimentary plan is simple using the member website. Once registered, members have access to three Aura upgrade plan options (individual or family) at a substantial member only discount.
